### The Rundown:

As a Kids Running Club Coach, you will assist with running club programs by motivating, encouraging and always providing a safe atmosphere for all participants. You will work with other coaches and the Running Club Coordinator to implement and oversee the youth running program. Our Kids Running Club Coach is comfortable speaking in front of large crowds of children, is friendly and outgoing, and promotes positive social experiences for all participants. You will be a part of dynamic group that builds and maintains meaningful relationships with participants and their family. Joining the Raven Run Club is joining a team and a community that ignites and supports running and fitness through social experiences. We pride ourselves in putting people first and know that what we do each day does not happen anywhere else, for staff, customers or Running Club Participants. We truly believe that running changes everything.
